N / Ref.: P.ULB.33+34/US

Dear Mr. Altman :

We refer to our previous letters dated August 2 and August 4, 1995.

Please, file the enclosed documents as new provisional US patent applications in the name of the Inventors already sent to you in our previous letters dated August 2 and August 4, 1995.

Please, prepare an assignment to be signed by the inventors, a small entity statement to be signed by the assignee, and your invoice for the filing of these two provisional patent applications in duplicate.

Meanwhile we remain,

Very truly yours,

OFFICE VAN MALDEREN
